

9th June 2017

Dear parents/carers,

Attendance/Punctuality

Please ensure pupils are lining up on time in the Park at the start of every day. Please do not forget to sign your child/ren in the late folder if you bring them to school late.

Auditions

Auditions were carried out this week for Solebay's Got Talent. There were some exceptional acts this year which made the job of the judges very difficult. You child/ren will let you know if they got selected for the next round sometime next week.

Park

When you hand over your child/ren in the Park, please make eye contact with the class teacher or TA so that they can mark your child in to the Park register.

School Council Election

The pupils had an opportunity to vote for their school council representatives for 2017-2018. The candidates had a chance to do campaigning running up to the elections and we are very proud of their dedication!

Weather/Expectations

In severe weather expectations, the expectation is that your child/ren line up in the Park as usual for drop off. We will aim to get to the Park a few minutes earlier and leave right away to avoid getting too wet. Please do not bring your child/ren directly to the school.

Yours faithfully,

Janet Baker

Principal
