The Worshipful Company of Musicians

Our last visiting workshop from The Worshipful Company of Musicians brought us the wonderful award winning Violinist Gavin Fernandes! Year 5 and 6 were the last year groups due a workshop and they behaved impeccably as Gavin played us pieces by Mozart and Bach! We discussed in great length how the violin is made and history of the first violin and how little it has changed over many hundreds of years. We also listened to the different instruments within the strings family, comparing similarities and differences between the violin, viola, cello and bass.

Khanan in 6 Red said, "The strings sounds change like children growing in to adults!"

We look forward to inviting the company of award winning musicians back next year for more varied instrumental workshops for all KS1 and KS2 pupils.

Yours faithfully,

Janet Baker
