

3rd November 2017

Dear parents/carers,

Attendance and punctuality expectations

The school recognises that parents/carers have a vital role to play in supporting and encouraging good attendance and punctuality. By accepting responsibility in partnership with the school, we can work together to ensure the children's right to a full education, as well as enabling parents/carers to fulfil their legal responsibility.

Medical appointments should be made out of school hours if at all possible. If your child has to see a doctor or dentist in school time they should attend school for as much of the day as possible. It is not permitted to take a whole day off school for a medical appointment unless the appointment lasts all day.

Y6 educational visit

Y6 visited the Natural History Museum this week. They looked at the dinosaur exhibition and learnt about Evolution - in preparation for the next topic in Science. The pupils also explored the exhibition on volcanos and earthquakes; they enjoyed looking at the different fossils on early humans and dinosaurs.

Please see below quotes from pupils.

"I thought the trip was amazing because everyone got a chance to learn things in a specific way, it inspired me to find more facts about dinosaurs." Ania

"This trip helped me to understand that there is so much more to nature, science is really interesting!" Jeannette

Yours faithfully,

Janet Baker

Principal
