

9th February 2018

Dear parents/carers,

Drop off

Some parents/carers are parking dangerously near the school entrance when the pupils are entering the school building in the mornings. We kindly request parents/carers to take care and caution when parking near the school to ensure the safety of all our pupils.

Poetry recital

Solebay hosted its first poetry recital which was a huge success. It was fantastic so see the pupils engaged and enthusiastic about learning poetry.

School meals

Lunchtime school meal options can only be changed every half term. The school office must be informed of any changes to your child/ren's school meal option.

Sushi making – Design & Technology

Y6 had the opportunity to make sushi this week and Mohamed, a professional chef and is also a parent of 2 pupils in the school, kindly offered his time and expertise to teach the pupils. They learnt how to make different kinds of sushi. As part of his session, Mohamed also taught our pupils about safety in the kitchen and how to use different appliances to prepare dishes. Mohamed answered questions from pupils about what inspired him to become a chef and the pupils were really excited to work with him. On behalf of the Y6 pupils, we would like to say thank you to Mohamed for such a brilliant lesson.

I would like to wish all families a lovely half term break and I look forward to seeing all pupils back in school on Monday 19th February.

Yours faithfully,

Janet Baker

Principal
