Year 6 presentations

Year 6 are currently developing their oral skills through presentations and presenting their proposal for a new app. There has been excellent team work from the children and they have learned how to create presentations to deliver their proposals for their new app.

Attendance

Unfortunately, attendance this week has not improved from last week. Every class across the School was below 90% again. As I asked last week, please ensure that your child is only absent from School when absolutely necessary. Poor attendance has a big impact on pupil's loss of learning.

UCL Observatory

Year 4 went to the UCL Observatory this week. They saw an electronic telescope and another telescope that was made in 1852!

Friday 18th January 2019

Drop off and collection reminder from Janet

We have noticed there are a few parents/carers who are wilfully choosing to ignore our safety advice and are continuing to drop off or collect from school, outside of our safety guidance. Children are expected to be dropped off at Mile End Park at the beginning and end of the school day to ensure the safety of all pupils.

The drop-off/collection point is in Mile End Park as you walk to the end of Solebay Street and over the Regent's Canal Bridge. As parents/carers drop off the children, the pupils are assembled by members of staff into separate class groups. Members of staff, wearing high visibility vests, supervise each group. **Parents/carers are reminded to drop-off your child/ren at 8.45.am.** If you are late in the morning, please do not allow your child/ren to run down Solebay Street unaccompanied to join their line. Please do not put your child in the line as the class are walking along the pavement. If you miss your child/ren's class in the Park then it is your responsibility to take your child/ren to the administration office where you must sign in your child/ren in the late book. These arrangements will not change according to the weather. Please help us to keep all pupils safe by following these simple arrangements. Thank you for your co-operation.

CBBC Newsround

In Assembly this week we have been talking about world news. We have looked at the CBBC Newsround website. The pupils have found this very interesting. Please encourage your child to watch Newsround on a regular basis as this begins to inform them about current affairs.

www.bbc.co.uk/newsround/news/watch_newsround

Important dates:

Last day of term: Friday 15th February
Half Term Break: Monday 18th to Friday 22nd February
Pupils return to School: Monday 25th February

STAR PUPILS for w/c 8th January

Nurse Red

Noah and Ocean Blu – For always offering to help when the new Nursery children are feeling sad.
