Foods containing nuts reminder

A gentle reminder – if your child/ren has packed lunch, please ensure you do not send in any food products containing nuts. This is due to some pupils having severe nut allergies at the school. Thank you for your co-operation.

Tea/coffee morning

You are invited to come along to our tea/coffee morning on Friday 1st February from 9am to 10am. We look forward to seeing you there!

Visitors from Sweden

On Thursday, seven visitors from Gothenburg who all work in education spent half a day at Solebay observing the teaching and learning across the School. The visitors were so impressed with the high intensity of teaching and learning, how upbeat the teachers were and the high expectations set in every class. In addition, they commented on how constant learning took place in every class, how the EYFS was very impressive along with, pupils were excellent at talking to their partners. This is amazing feedback for the staff and pupils at Solebay. Well done to all!

Attendance reminder

We were again disappointed that most classes' attendance was below 90% this week. The national average weekly attendance is 98%. The pupils who have been absent this week have missed out on important learning. Please ensure that your child is only absent from School if they are very unwell. There should be no holidays taken during term time. Thank you.

Academy Council Meeting

Please note that the next Academy Council meeting will take place on Friday 8th February. Save the date in your diary and we hope to see as many parents as possible there.

Next Academy Council Meeting: Friday 8th February
