

## Ana May's Fundraiser for The Little Princess Trust

Ana-May in Year 5 Blue has recently raised money for The Little Princess Trust and raised £385 and 50p in total - £70 of which she raised at Solebay Primary. As part of the project, she has cut her hair, which The Little Princess Trust will use to make wigs for children who have lost their hair due to cancer and other diseases. Well done Ana May! We are all very proud of you.

### Attendance and punctuality expectations

We are working to improve daily attendance, persistent absence from school and late comers in the mornings.

A good education gives a child the best possible start in life. We must ensure that all our pupils have an equal chance to make good use of the education that the school offers by providing a positive and encouraging atmosphere. To achieve this it is important that each child attends school regularly and punctually. When a child does not attend school regularly and on time they will have difficulty keeping up with their work and will therefore underachieve.

It is very important for all children to attend school every day and to arrive on time. School starts at 8.55am and they should arrive in good time to line up in the Park at 8.45am. This is essential to ensure that children benefit fully from classroom learning and that other children's learning is not disrupted.
