

1<sup>st</sup> September 2014

Dear Parents/Carers,

We are pleased to announce that from today CET Primary School Tower Hamlets has been transferred into Paradigm Trust, and has been re-named Solebay Primary A Paradigm Academy.

Our aim is to lead by example – to exemplify excellent educational practice. As one of our schools, Solebay Primary will provide each pupil with the outstanding education that they deserve. We believe that every child should have equal access to knowledge, skills, opportunities, aspirations, life chances and dignity. We have a strong track record of bringing excellent standards to our existing schools, and we believe that we are more than capable of delivering similar results at Solebay Primary.

We are delighted that we will be starting the new school year in the new building – and we very much look forward to welcoming you to the school and the many first-class resources it has to offer. The school will be open on 9<sup>th</sup> September, although during that first week some completion work will still be going on. Our main concern will be for the safety of our pupils, staff and all others within the school for that week, but we will have full occupation of the premises from 15<sup>th</sup> September.

We are pleased to welcome seven staff from CET Primary School Tower Hamlets who are joining the new Paradigm Trust team at Solebay Primary. One of our main objectives is that the school is staffed in a way that allows us to deliver the outstanding education that we believe every child deserves.

We know that there has been a lot of uncertainty and now some changes – and that can be unsettling. We expect that you will have questions for us, so we will be holding an open meeting to allow everyone involved with our schools the opportunity to ask us those questions. **This will be held on 7<sup>th</sup> September from 2.00pm – 3.30pm at the Mason Lecture Theatre, Bancroft Building, Mile End campus, Queen Mary University of London E1 4NS.**

More information will come to you by post and you can also contact the registered office on 020 7364 1010.

Our goal is to provide the pupils at Solebay Primary with outstanding teaching and education, leading with a well-planned and taught curriculum, in an environment where the safety and wellbeing of our pupils are paramount. We very much look forward to working with all of you to achieve excellent results.

Yours faithfully,
