Trumpet and Trombone Workshop

What a tremendously loud noise the trombone and the tuba can make! The Worshipful Company of Musicians brought along professional musicians Matt and Ross to entertain and educate the Year 2-4 pupils about brass orchestral instruments. A hose pipe, mouthpiece and red funnel later, some children were performing their own "raspberry" sounds for an audience, conducting the musicians through 'The William Tell Overture' and even singing along to favourite orchestral film theme tunes.

A splendid display of talent from the musicians and fantastic enthusiasm from the pupils, learning about the trumpet, French horn, trombone and tuba.

We will definitely be inviting The Worshipful Company of Musicians back to Solebay for some more musical memories.

Pat Naylor

My name is Pat and I am a teaching assistant in 1 Red where I help class teacher Ruksana. I also cover play deck and lunchroom supervision of Year 2/3/4 pupils. I joined Paradigm Trust from CET Primary School where, as a receptionist at the Annexe, I loved working closely with the staff, reception year children and their parents/carers. The primary school environment is a relatively new experience for me, though I have previously taught undergraduate students when I was studying history and art. I am really enjoying my time in the classroom and it has been wonderful to watch the children growing and learning.

Monwara Khatun

My name is Monwara Khatun I am the Home School Support Worker and I work across all three schools in Paradigm Trust. I support parents/carers in a wide range of activities, events and services to ensure that your children do well at school, and that you are fully supported in your important role as their primary caregiver. These include settling new children into school, transitions to secondary school, encouraging better attendance and punctuality and courses and workshops. I look forward to working with the pupils and families at Solebay Primary Academy.
