

20th March 2015

Dear Parents/Carers

RE: Workshops

We will be having two workshops in school next week. An interactive workshop linked to our topic, Stone Age, Bronze Age and Iron Age on Monday 23rd March. On Tuesday and Wednesday we are teaching Science linked to plants. We will have a Science workshop on Wednesday 25th March.

These events have incurred considerable costs for the school. We are therefore asking for a voluntary contribution of £2.00 per pupil towards the costs.

We thank you for your continued support.

Yours faithfully

Janet Baker
Assistant Principal
