Protecting children outdoors

During periods of high temperature the following steps should be taken:

- children should not take part in vigorous physical activity on very hot days, such as when temperatures are in excess of 30°C
- encourage children playing outdoors to stay in the shade as much as possible
- children should wear loose, light-coloured clothing to help keep cool and sunhats with wide brims to avoid sunburn
- use sunscreen (at least factor 15 with UVA protection) to protect skin if children are playing or taking lessons outdoors for more than 20 minutes
- provide children with plenty of water (such as water from a cold tap) and encourage them to drink more than usual when conditions are hot

Summer Fair

The Summer Fair is fast approaching with parents doing plenty of organising in the background to ensure that it will be a great opportunity for the children (and adults) to have a fun time together.

We would love to have a bric-a-brac stall and would therefore appreciate any donations of toys, puzzles and books (nothing fluffy or soft unless it is new) in good condition. Please bring into the school by Monday the 13th if possible.

Food and drink stalls will be cash only on the day. Other stalls will require tickets which can be bought a few days beforehand.

We would also appreciate more volunteers to help on the day, either helping to set up from 12pm, running or assisting on a stall or help to clear up afterwards. If you feel you might be able to help or would love to be involved in any other way then please either speak to the administration team or come along to our next meeting on Monday 13th at 9.05am.

D&T workshop

The Kiddycook workshops for x2 days went extremely well this week. Pupils from Y1 – Y4 learnt about healthy food and had the opportunity to make vegetable crumble and pizza. Here are some quotes from pupils in Y3 and Y4:

“During D&T week I enjoyed learning to cook because now I can cook the dishes with my family anytime I like.”

“I enjoyed it when we made our fruit salad and when we practiced our cutting skills.”

“During D&T week I enjoyed making food because I got to learn how to make it.”

“I enjoyed designing and making healthy foods. I also enjoyed learning about where different foods come from in the UK.”

“I learnt to be safe in the kitchen by using special grips like claw grip and bridge grip.”

Important dates

Wednesday 8th July – Sports Day

Friday 10th July – Reception Graduation Day

Tuesday 14th July – **Deadline to return photograph orders**
