

5th May 2017

Dear parents/carers,

Home school agreement

A polite reminder to parents/carers to return the signed agreement by Monday 8th May. Thank you to those parents/carers who have already returned the home school agreement.

No smoking

We kindly request that parents/carers refrain from smoking in front of the pupils during drop off or collection.

Nursery September 2017

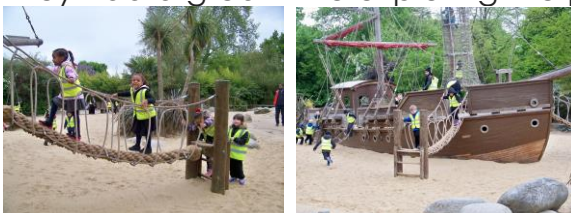

I am writing to keep you updated regarding the Nursery places at Solebay Primary Academy for September 2017. We are not yet in the position to offer places for Nursery for September 2017. The reason for this is that we currently have planning permission for only 350 pupils at the school. We applied to the Local Authority to raise the numbers to 472, which would enable us to have 52 pupils in Nursery as well as 60 pupils in Reception to Year 6.

Due to some objections, we have not been able to secure the expansion agreement with the Local Authority. As soon as this has been resolved and a decision has been made we will of course let you know. Based on current numbers and Reception 2017 offers accepted, in September we will have 341 pupils from Reception to Year 6.

We are extremely disappointed, as many of you will be, that we are not in the position to make any firm offers for Nursery at this present time.

Reception visit

The Reception pupils went on their Adventure visit to The Diana Memorial Park this week. They had a great time exploring the pirate ship and looking for hidden treasures!
