

Year 5 Residential

Year 5 had a fantastic time on their residential to Suffolk. They took part in many activities including den building, pond dipping, a night walk and crabbing. The children learned lots about our natural environment and about animal habitats by visiting Rendlesham Forest and Mindsmere Nature Reserve. They also had the opportunity to visit some farm animals and learn about the history of the Suffolk Punch Trust. In particular, they learnt about The Suffolk Horse and even got the opportunity to stroke some horses!
