Ofsted Inspection at Solebay

As you know Solebay was inspected under the new section 8 framework, for 'Good' schools. They carry out a thorough inspection and gather their evidence in a range of ways. This includes going into lessons, looking at workbooks and speaking to pupils. They are checking if a school is still 'Good' since their last inspection.

The outcome of the inspection will be provided to parents once we receive the final report in 30 days. When we receive this it will be shared with parents/carers and the wider community.

I wish to let you know that the children were extremely polite and well-mannered and we are all very proud of them.

Thank you also to all parents/carers who provided comments and feedback to the inspectors.

Many thanks,
Janet
