## Outstanding feedback for Solebay pupils and staff

We would like to share some truly outstanding feedback we received this week for our Year 4 pupils and staff following their visit to the Jewish Museum:

***"I just simply want to email in to tell you how impressed we were with the high quality of teaching and the exceptional behaviour of the children that came to the Jewish Museum today. It was a year 4 class. In all my years of teaching in a heritage setting I have come across all types and levels of teaching and today was just inspirational for me. The teachers were inspiring and so respectful to their pupils, which in turn created a fantastic climate for learning. Both my colleague and myself didn't want the session to end as it was so enjoyable. Thank you so much for setting the scene for incredible learning. Please compliment the class teachers as they really are talented"***.

Well done to you all. You are a credit to our school and to yourselves!

## Reminder from Janet regarding morning drop off of pupils

This is to remind parents/carers that you need to make every effort to drop off your child in the park every morning by 8:45am. For safety reasons, it is unacceptable to try and add your child to the lines once we have left the park. If you are unable to make the park, you need to bring your child to the administration office and sign them in and wait until all pupils have entered the school from the lines after crossing the road. This is because there are no adults in classrooms at this stage and it is unsafe for us to admit pupils from the reception area until all the pupils coming from the park have entered the school building. Even though your child is not officially late, it is vital that you follow our procedures and help us to ensure the safety of all pupils. Thank you as always for your co-operation.

## #Year 3 Project

We are excited to announce that the Steve McQueen Year 3 Exhibition was launched on Tuesday 12<sup>th</sup> November 2019. This means the portrait taken of our current Year 4 pupils is on display and ready to view. The exhibition will run from November 2019 - May 2020 and it is free to visit. Families are warmly welcomed at weekends and during the holidays.

An educational visit to the Tate Britain has been booked for the current Year 4 pupils. They will be visiting later in December. Please see address below should you wish to visit:
