Football Tournament Success for Solebay

The year 5 and 6 boys that were chosen for the football tournament were outstanding! Their effort surpassed 100% and they left everything they had on the pitch. The adults that coached and attended with the children are amazed at how talented each of them are. They claimed 4th place in the tournament and should hold their heads high with that place. We hope to organise more tournaments for the future and to find even more talent in Solebay Primary Academy!

Rainforest Homework

The Staff are overwhelmed by the amazing homemade rainforest projects the pupils have created. They are all on display outside the classrooms. Thank you to all the parents for your continued support with our holiday homework projects.
