

20th March 2020

**Dear SPA pupils,**

As you will know by now, school is going to be closed from the end of today for some time. We know that the news and everything you have heard about the Coronavirus is really worrying and can feel scary. This is scary for us too, nothing like this has ever happened in our lifetimes.

It might seem exciting to have some time away from school, but it is extremely important that you take some time to continue with your learning. You have all been given homework from your teachers who are keen for you to work on a little each day. It will mean that you will have to be independent and complete your work on your own. We are confident that you will be able to do this. You all have the skills and intelligence to get you through your home learning. You are all more than able to do this - you just have to be confident. We think you are all amazing. We have given you about 2 weeks worth of homework. Please bring this back to school on Friday 3rd April. We will then give you another pack of homework for the next two weeks. You should also be able to work on Reading Eggs and Education City.

We will really miss you all and we want to make sure that each and every one of you stays safe and well. It is very important that you take care of yourselves, your families and friends.

All staff will be working while school is closed, either in the school building or working from home planning amazing lessons that will be ready for you once school opens. Take care and see you all soon.

**Janet and all of the SPA staff**
